Spring 2012 GARDENING SOLUTIONS

A wood display rack assortment (of three programs in one), to provide solutions for your garden:

Walkway Wonders

"What can I plant along my walkway?"

Solution: These plants will tolerate foot traffic or work well along or in walkways.

Butterfly and Hummingbird Plants

"How can I attract butterflies and hummingbirds to my garden?"

Solution: These plants are attractive to hummingbirds and butterflies.

Drought Tolerant Plants: (Heat Survivors)

"I want to be responsible in my use of water. What can I plant that requires little water?"

Solution: These plants are very easy care and can tolerate dry conditions.

Program consists of a pre-selected assortment of 20 flats (18 pots/flat-9cm/3.5") including display rack with POP. Please order by full racks. 360 pots per rack.
