

Palace Perennials

by Sipkens Nurseries Ltd.

Spring 2012

Native Ontario Plants Program

Very popular display rack program of assorted Native Plants including Trilliums, Jack in the Pulpit, and other plants native to Ontario.

This will appeal to those who are concerned about the environment, water usage, use of native fauna, and responsible gardening.

Sold in a 11cm/4" round bio-degradable pot

These pots are fully bio-degradable and can be planted directly into the garden, resulting in no landfill waste.

Environmentally friendly custom colour tag

Tag will bio-degrade in a composting facility.

Program consists of 25 flats of pre-selected varieties. Ten pots per flat. Display rack and POP included.

Some varieties included in this program:

- | | | |
|--|-----------------------------|-------------------------|
